PARENT PAYMENTS POLICY PARENT PAYMENT ARRANGEMENTS 2022 – Year 1

Dear parents and guardians,

At Montmorency Primary School we are looking forward to another great year of teaching and learning. Our school provides students with free instruction that comprehensively fulfils the standard Victorian curriculum, and we assure you that all contributions are voluntary.

Nevertheless, the financial support we receive from families through the voluntary contribution program ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. Every bit helps, and together it makes a huge and visible difference to our school, our students, and the programs we can offer them.

In 2021 your financial support has directly contributed to these significant results:

- Purchase 106 iPads and 4 Storage/charging trolleys \$70,860
- Built in lockers in portables \$16,104
- Blinds for classrooms \$ 2,350
- Furniture \$10,962
- Ground works and Maintenance \$50,043
- New playground \$54, 989
- Continue to offer a SAKG program
- Provide a school nurse and wellbeing support, essential in the current environment

Please find below Montmorency Primary School's voluntary financial contributions schedule for 2022, which includes an overview of what your contributions will go towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees.

We have provided this schedule below to give parents and caregivers an indication of contributions you can make for your child/ren to help us deliver the best possible outcomes for our students in 2022:

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Janene Worsam
School Principal

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
